Manitoba Printmakers Marshall Fund

Endowed at The Winnipeg Foundation

“Because we provide unparalleled accessible facilities and education in the print arts to enrich the lives of Manitobans.”

Why was this Fund established?

The Manitoba Printmakers Marshall Fund was established to provide a permanent source of support for educational arts programming for youth at Martha Street Studio.

As a professor and head of the University of Manitoba's Department of Interior Design, Grant Marshall loved teaching, and was always impressed by the creativity of students.

In 2012, Mrs. Marnie Marshall established this fund, creating a legacy in his honour and a tribute to his love of teaching and commitment to art and community.

What is The Winnipeg Foundation?

The Winnipeg Foundation is **For Good. Forever.** We help people give back to our shared community by connecting generous donors with **Causes** they care about. It is a public foundation made up of many endowment funds – like the Manitoba Printmakers Marshall Fund. Gifts to The Foundation are pooled and invested, and the annual earnings are granted back to the community every year. Since the capital is never spent, your gift keeps giving back **For Good.
